**by assuring that medicines marketed in the country are **SAFE**, **EFFECTIVE** and of **GOOD QUALITY****

Protecting Your Right to Quality Medicines and Medical Devices

# Evolution of veterinary medicine legislation- **ZIMBABWE**

Time

1969 -  
1997

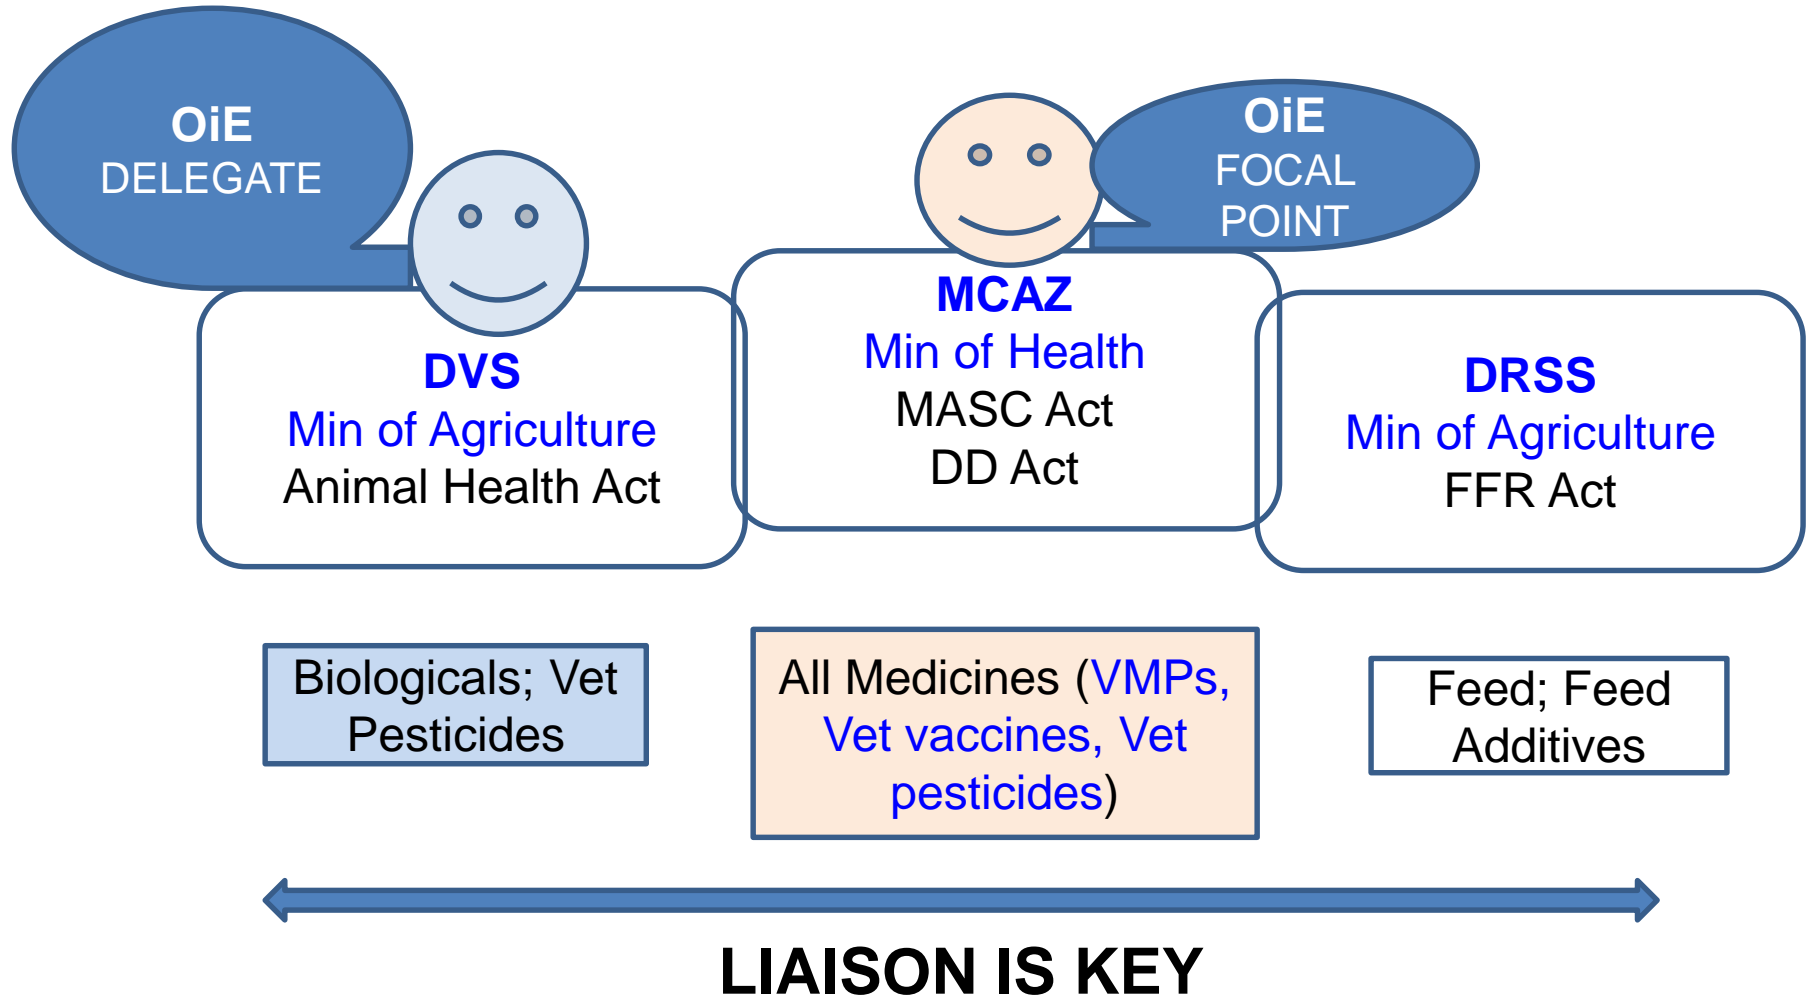

In [Zimbabwe](#)

- Legislation effectively started in in 1969 only a few years after the United Kingdom Medicines Act. The control of medicines in Zimbabwe is provided for under
- The **Medicines and Allied Substances Control Act** (MASCA) [Chapter 15:03] (and its Regulations (Including Statutory Instruments) passed from time to time.
- (MASCA was previously known as the Drugs and Allied Substances Control Act, until 1 August 1997)
- The Dangerous Drugs Act (Chapter 15:02) and its regulations.
